ABOUT KOMODO NATIONAL PARK

Established in 1980 and recognised as a UNESCO World Heritage Site, Komodo National Park encompasses the islands of Komodo, Rinca and Padar, together with numerous smaller islands. It is home to the world's largest living lizard, the Komodo dragon, and one of the richest marine ecosystems on Earth.

JOURNEY MAP

BOAT EXPERIENCE

Modern speedboats for island excursions with safety equipment, comfortable seating and refreshments. Upgrade to a Luxury Phinisi yacht for a more exclusive experience.

TREKKING & ACTIVITY LEVEL

Easy to Moderate. Suitable for travellers with a reasonable level of fitness. Guided walks, some steps and optional swimming or snorkelling.

BEST TIME TO VISIT

- Apr – Jun** Lush landscapes, pleasant weather and excellent wildlife viewing.
- Jul – Sep** Dry season, calm seas and ideal for island adventures.
- Oct – Nov** Warm temperatures, fewer visitors and excellent marine visibility.

TOUR PRICES – 2027

Prices are available on request.

Please contact our Travel Specialists for a personalised quotation based on your preferred travel dates, accommodation category and preferred boat option.
